(C) (1) It is an affirmative defense to a charge under this section, involving material or a performance that is obscene or harmful to juveniles, that the material or performance was furnished or presented for a bona fide medical, scientific, educational, governmental, judicial, or other proper purpose, by a physician, psychologist, sociologist, scientist, teacher, librarian, clergyman, prosecutor, judge, or other proper person.

WHO DO THEY WORK FOR?

5.7% of your State Income Taxes are distributed to all Ohio Libraries, yet you do not even have a say in the operation of your local Library. Since you are the one footing the bill, why are Ohio Libraries abiding by ALA and GLBTRT standards instead of their patrons’?
